RCW 43.88A requires that the Office of Financial Management (OFM) coordinate the development of fiscal impact statements (fiscal notes) on legislation or legislative proposals. OFM must also approve fiscal notes for form, accuracy, and completeness. The purpose of this process is to provide to the Legislature the estimated cost of legislation that is going through the legislative process. The Legislature, state agencies, and OFM budget analysts use the Fiscal Notes System to request, develop, review, and approve fiscal notes. The resulting published fiscal notes that can be found using this search tool.
